

# The 1&1 BBQ MENU

## How to Order from the BBQ Menu

### **Step 1: Choose your BBQ menu tier**

Please select the BBQ menu option (tier) you would prefer for your event.

### **step 2: Tell us about dietary requirements**

Let us know if you or any of your guests have special dietary requirements (e.g. vegetarian, vegan, gluten-free, allergies).

### **step 3: Confirm your party size**

Tell us how many people will be attending your event.

Once you've confirmed all of these details, we'll get to work and supply plenty of food for everyone at your event, including all items from your selected menu tier.

You can then sit back, relax, and enjoy the party — no more worrying about whether you've ordered enough food for your guests!
